Bachelors

2026 Fudan University English-taught Undergraduate Programs

No.	School/Department	Major	Program	Duration
2	Fudan University	MBBS – Bachelor of Medicine & Surgery (6 years)	MBBS – Bachelor of Medicine & Surgery (6 years)	4–6 years
3	Fudan University	International Economics (UIPE)	International Economics (UIPE)	4–6 years
4	Fudan University	Global FinTech	Global FinTech	4–6 years
5	Fudan University	Data Science & Big Data Technology	Data Science & Big Data Technology	4–6 years

2026 Fudan University English-taught Postgraduate Programs

No.	School/Department	Major	Research Area/ Program	Duration
1	Department of Chinese Language and Literature	Chinese Philology	Chinese Language and Culture	2 years
2	Department of History	Chinese History	Chinese History and Culture	2 years
3	School of Philosophy	Chinese Philosophy	Chinese Philosophy and Culture	2 years
4		Religious Studies	Chinese Religious Studies	2 years
5	School of Social Development and Public Policy	Sociology	Chinese Society and Public Policy	2 years
6			Chinese Society and Public Policy (Double Degree Program with Lund)	2 years
7	School of International Relations and Public Affairs	Political Science	Chinese Politics and Diplomacy	2 years
8		Public Management	International Public Policy	2 years
9		Political Science	Europe and Asia in Global Affairs (Sciences Po)	2 years
10		Political Science	BRICS Countries and the Global South (MPB plus)	2 years
11		Master of Finance	Finance	2 years
12			Finance	3 years
13			Double Degree Program (with partner universities)	2 years

14	School of Economics	Master of International Business	Chinese Economy	2 years
15			Chinese Economy	3 years
16			Double Degree Program (with partner universities)	2 years
17	College of Future Information Technology	(Professional Degree) Electronic Information	Electronic Information	3 years
18			Double Degree programme with University of Turku, Finland	3 years
19	College of Computer Science and Artificial Intelligence	(Professional Degree) Electronic Information-Computer Technology direction	Big Data and Data Science	3 years
			Intelligent Software Engineering and Systems	
			Intersection of Computer Theory and Frontiers	
			Human Computer Interaction and Collaborative Computing	
			Intelligent Networks and Systems	
			Intersection of Fundamentals and Frontiers of Cyberspace Security	
			cryptography	
			Intelligent system security	
			Internet technology and intelligent supervision	
			Financial Technology and Security	
			Multimedia intelligent security	
			Intelligent Computing Systems and Cognitive Intelligence	
			Scientific Intelligence	
		(Professional Degree) Electronic Information-Artificial Intelligence direction	Artificial Intelligence	3 years
20	School of Journalism	Journalism and Communication Studies	Communication - Global Media and Communications (Double-degree program with London School of Economics and Political Science)	2 years
22			Communication - Communication and Media (Double-degree program with Sciences Po)	2 years

23	School of Management	(Professional Degree) Business Administration	Fudan IMBA Program	2 years
24		Master of Finance	MIF-Master of International Finance	2 years
25			MQFFE-Masterof Quantitative Finance and Financial Engineering	2 years
26		Master of International Business	DDIM - dual degree program with University Bocconi and LUISS (International students are requested to apply from the partner University's side)	2 years
27			GMiM - dual degree program with London Business School (International students are requested to apply from the partner University's side)	2 years
28	Law School	Civil and Commercial Law	Chinese Business Law (LL.M. Program)	2 years
29	International School of Finance	Master of Finance	Finance	2 years
30		Master of Business Administration	Full-time Finance MBA	2 years
31	Institute for Global Public Policy	Public Management	Master in Global Public Policy	2 years
32			LSE-Fudan Double Degree in Global Political Economy	
33			LSE-Fudan Double Degree in Global Social Policy	
34		(Professional Degree) Public Management	International Master of Public Administration	2 years
35	Department of Chemistry	(Professional Degree) Master of Materials and Chemical Engineering	Future Energy	2 years
			Synthetic Chemistry	
			Materials Chemistry	
			Artificial Intelligence Chemistry	
			Global Change	
			Environmental Chemistry	

36	Department of Environmental Science and Engineering	Environmental Science and Engineering	Environmental Ecology	3 years
			Urban Ecology	
			Environmental Health	
			Atmospheric Environment	
			Water Pollution Control	
			Biomass Energy	
			Basin Pollution Control	
37	College of Intelligent Robotics and Advanced Manufacturing	Aeronautical and Astronautical Science and Technology	Artificial Intelligence and Engineering Scientific Computing	3 years
			Intelligent Materials and Structures	
38	Department of Physics	Physics	Theoretical Physics	3 years

2026 Fudan University English-taught Postgraduate Programs

No.	School/Department	Major	Research Area/ Program	Duration
39	Department of Physics	Physics	Theoretical Physics	4 years
			Condensed Matter Physics	
			Optics	
40	School of International Relations and Public Affairs	Political Science	International Politics	4years
41		Public Management	Public Administration and Policy	4years
42	School of Journalism	Communication	Digital Technology and Communication	4 years
43	Department of Environmental Science and Engineering	Environmental Science and Engineering	Global Change	4 years
			Environmental Chemistry	
			Environmental Ecology	
			Urban Ecology	
			Environmental Health	
			Atmospheric Environment	
			Water Pollution Control	
			Biomass Energy	
			Basin Pollution Control	
44		Environmental Management	Environmental Management	
			Urban Planning	
			Climate Change	
			Environmental Values	
			Molecular biology	
			Neurobiology	

			Genetics	
45	School of Life Sciences	Biology	Cell biology	4 years
			Developmental biology	
			Bioinformatics	
			Microbiology	
46		Ecology	Biodiversity and conservation Biology	
			Ecosystem ecology	
			Invasion ecology	
			Soil ecology	
			Plant ecology	
			Animal ecology	
			Genetic diversity and evolution	
47	Institute for Global Public Policy	Public Management	PhD Program in Global Public Policy	4 years
48	Westlake University	Mathematics	Mathematics	4 years
49	College of Future Information Technology	Optical Engineering	Intelligent optical manufacturing and measurement	4 years
			Biomedical photonics	
			Micro-nano optoelectromagnetic technology and devices	
			Laser engineering and spectrum technology	
			Photonic Quantum Information Technology	
			Optoelectronic Devices and Systems	
50		Electronics Science and Technology	Optoelectronic Devices and Systems	4 years
			Micro and Nano Electronic Devices and Circuits	
			Intelligent Information Processing and Systems	
			Intelligent Electronics and Systems	
			Electromagnetic Field and Microwave Technology	
			Artificial Intelligence	
			Semiconductor optoelectronic devices	
			(Full-time) Theory of Complex Systems (including Applied Mathematics)	

51	Research Institute of Intelligent Complex Systems	(Academic Degree) Complex Systems Science and Engineering	(Full-time) Complex Systems Modeling and Control (including Biomedical Engineering)	4 years
			(Full-time) Complex Systems Engineering and Applications	
52	Shanghai Institute for Mathematics and Interdisciplinary Sciences	(Academic Degree)Mathematics	(Full-time) Pure Mathematics (including Mathematical Physics)	4 years
			(Full-time) Applied Mathematics(including Scientific Computing)	
			(Full-time) Interdisciplinary Sciences	
53	College of Intelligent Robotics and Advanced Manufacturing	Aeronautical and Astronautical Science and Technology	Artificial Intelligence and Engineering Scientific Computing	4 years
			Intelligent Materials and Structures	
54	College of Computer Science and Artificial Intelligence	(Professional Degree) Electronic Information	Artificial Intelligence	4 years
